

Framdes Pasacalles

GLOBAL EVENTUS PRODUCCIONES S.L.

This life-sized motorised Elephant comes with its own PA and is ideally suited to festivals, corporate events and parties where a large scale moveable piece of sculpture is required. It can be driven or remain static and an Indian singer/performer is also available.

GLOBAL EVENTUS PRODUCCIONES S.L.

The giant metal puppet is fully animated, with opening and closing beak, swinging head and running legs which can be transformed and decorated for specific events. The bird stalks, bends and pecks and can be used for day and night processions.
